

Virtual Business Partners

Sell more... Earn more. Financial planners and advisors, if you are spending your valuable client time on paperwork, tracking down requirements, and dealing with administrative and marketing issues, what opportunities are you missing? Let our 16+ years experience as industry virtual assistants help you!

DOREEN PATRICK

As an entrepreneur and Certified Online Business Manager, Doreen Patrick brings over 16 years of business support services to her company, Virtual Business Partners. Doreen founded VBP in 2006 as a solution for companies and business owners seeking specialized sales, marketing and administrative support. Within its first year, Doreen had successfully built her business to a full-time practice. Doreen was featured in Wealth Management Magazine as a featured virtual assistant company and a recurring speaker at the National Sales Symposium, Assistant's Academy track for financial services assistants.
